

Commercial and financial debt recoveries are our strong advantage. We also offer professional legal services and flexible debt restructuring to achieve the best possible outcome for clients. In this area, we assist clients in:

- Providing negotiation services to obtain an out-of-court settlement;
- Investigating, clarifying debtor's capability; supporting clients in debt confirmation;
- On behalf of clients in conciliation, negotiation with debtor or debt restructuring;
- Conducting lawsuit at the court on behalf of clients;
- Participating in litigation proceedings;
- Representing clients in judgment enforcement.
